Sir,

I have the honour to inform you that the incomplete buildings mentioned in the accompanying list are in course of construction through the agency of the Public Works Department, and the amounts of appropriation noted against the names of the buildings are required for expenditure from the educational funds before the close of the current official year. With regard to the school house at Sringeri Sri Swami of Sringeri Matt has been generous enough to contribute towards the cost of the school building a sum of Rs 2,500 which is now held in deposit in the Koppa Taluk Treasury. The Chief Engineer in Mysore in his letter No 4814 dated the 11<sup>th</sup> September 1895 addressed to this office, asks for an appropriation of Rs 3,000 for expenditure

✓  
on the school house during the current year

2 I request that Government may be pleased to sanction the payment of the appropriations mentioned in the enclosed list from the allotment for "Taluk School Buildings" in the State Funds Budget of the Department for the year 1895-96, and to authorize the utilisation of the contribution of Rs 2,500 towards the cost of the Sengere School house made by the Swami before the close of the current official year

I have the honour to be,

Sir,

Your most obedient servant,
